BILLIONAIRES CLUB BROTHERHOOD OCCULT Â billonairesbrotherhoodclub@gmail.com.We are the first above-ground organization in history openly dedicated to the acceptance of Manâ€™s true nature â€”Â that of a carnal beast, living in a cosmos which is permeated and motivated by the[b] Dark Force [/b]which we call Satan. Over the course of time, Man has called this Force by many names, and it has been reviled by those whose very nature causes them to be separate from this fountainhead of existence. They live in obsessive envy of we who exist by flowing naturally with the dread Prince of Darkness. It is for this reason that individuals who resonate with Satan have always been an alien elite, often outsiders in

cultures whose masses pursue solace in an external deity. We magicians are our own gods, and we are the explorers of the Left-Hand Path. We do not bow down before the myths and fictions of the desiccated spiritual followers of the Right-Hand Path. Today, we continue to uphold our legacy by building on the solid foundation created by The Lord Shanghai, and set forth in his writings, recordings, and videos. Since we were the first organization dedicated to him, we have had extensive media coverage and been referred to by several names over the course of over four decades: (BBC) Billionaires Brotherhood occult is the first occult temple in Africa, before occult temple all over African today and the world, yet we maintain the simplest and boldest moniker, embodied. Contact us for more details call +2348104462452 Life is a game. Money is how we keep scores. Money speaks sense in a language all nations understand. If you would know the value of money, go and try to borrow some; for he that goes a borrowing goes a sorrowing. Unfortunately, the Christian Church has prevented much in the way of freedom of the press and free speech, especially for those of the left hand path over the years. our family is a major threat to many who wish to retain control, riches and power as for our family this riches and power is in the hands of the common man/woman. For those of you who were raised in Christian homes, or were atheists, this intensity of spirituality may be believing there is no other way to success accept Christianity, but that is a big liar. believe me (BBC) Billionaires Brotherhood club lead to success without human sacrifice. Most right hand path religions are based upon stolen and false practices. As to those Christians who pray and keep praying with no answers, our family get blatant answers and I donâ€™t mean twenty years later, but instantly! Making wealth is guaranteed for the people of the world. for more details call +2348104462452 We are a group of strong brothers who came from different walks of life for the purpose of alleviating the sufferings of our people The (BBC) Billionaires Brotherhood club

If it is knowledge that is known, there must be Those who know it; there could be no knowledge without the knower's of it. True occult knowledge can be obtained only by those who follow the path to it. That path was set down by Those Who Know; all who will may and can arrive at that knowledge. This is not a path open only to certain persons; it is open to every living human being, and limited only by the limitations we ourselves place around it through choice or through ignorance.

Much is heard in the world today of what passes for "occult knowledge". Much experiment goes on under that name in various directions: we have societies for psychical and psychological research, and there is much talk of psychic and astral "experiences" and "communications" with the dead. All these various methods of research are from below, upwards, and will never find the goal. Scientific methods, psychological methods, the methods of the Spiritualists, alike proceed from particulars to universals. Particulars are infinite, and those who follow that path will inevitably get lost in its infinite ramifications, with no real knowledge gained. The goal is to be found from above, below " from universals to particulars, and not the reverse, for more info contact us at Billionairesbrotherhoodclub@gmail.comÂ or call +2348104462452 THIS IS HOW TO JOIN SECRET OCCULT FOR RICHES, WEALTH, MONEY, POWERS, PROTECTION, FORTUNE, SUCCESS, PROSPERITY AND FAME JOIN THIS BROTHERHOOD OCCULT TO BE FREE FROM POVERTY AND BECOME RICH YOU CAN FOLLOW THIS STEP TO JOIN MONEY RITUAL OCCULT IN NIGERIA AND GHANADear Friend and Seeker of the Classical African tradition,
