Much is heard in the world today of what passes for "occult knowledge". Much experiment goes on under that name in various directions: we have societies for psychical and psychological research, and there is much talk of psychic and astral "experiences" and "communications" with the dead. All these various methods of research are from below, upwards, and will never find the goal. Scientific methods, psychological methods, the methods of the Spiritualists, alike proceed from particulars to universals. Particulars are infinite, and those who follow that path will inevitably get lost in its infinite ramifications, with no real knowledge gained. If it is knowledge that is known, there must be Those who know it; there could be no knowledge without the knowers of it. True occult knowledge can be obtained only by those who follow the path to it. That path was set down by Those Who Know; all who will may and can arrive at that knowledge. This is not a path open only to certain persons; it is open to every living human being, and limited only by the limitations we ourselves place around it through choice or through ignorance. The goal is to be found from above, below – from universals to particulars, and not the reverse. In all forms of Occultism there is a fundamental principle which cannot be transgressed, if any goal at all is to be reached. Every occult teacher must impress it upon his pupils, and it runs as follows: Every branch of knowledge which you seek only to enrich your own learning, only to accumulate treasure for yourself, leads you away from the Path: but all knowledge which you seek for working in the service of humanity and for the uplifting of the world, brings you a step forward. This law must be rigidly observed; nor is one a genuine disciple until he has adopted it as the guide for his whole life. In many occult schools this truth is expressed in the following short sentences. Every idea which does not become an ideal for you, slays a power in your soul: every idea which becomes an ideal creates within you living powers. to join us call the wise one on this number call +2348104462452 or Email us on [billonairesbrotherhoodclub@gmail.com](mailto:billonairesbrotherhoodclub@gmail.com) This page is for those who are seriously interested in BILLIONAIRES CLUB BROTHERHOOD OCCULT fraternity. rituals are not without danger and are consequently unsuitable for people who are not mentally in good constitution. Take heed to follow all instructions the way they are described. Without the necessary precautions every ritual will turn to your disadvantage, confusion and total destruction. On the contrary, by following the instructions with precision, you will achieve a complete success in all your enterprises. Many

today are seeking to join a secret society, the one that will give them back their hope and help them to achieve all the things they have wanted in life. They realize that they have lost their dreams and their ambitions. They have settled for a life of mediocrity. Sadly, many are disappointed, for real secret societies are rare, hard to find and even more difficult to join. The more well known have, over time, lost their own secrets and present merely a facade of mystical mumbo-jumbo without possessing any real substance. There are no accidents and it is no coincidence that you have been led to The BILLIONAIRES CLUB BROTHERHOOD OCCULT. The Brotherhood reaches out to help you and to offer the hand of friendship and hope. The BILLIONAIRES CLUB BROTHERHOOD OCCULT knows that everyone has great potential but often they have lost their self-esteem and their desire for a better life. Joining The BILLIONAIRES CLUB BROTHERHOOD OCCULT Brotherhood will give you a life like you have never known before, filled with all the rich rewards of success and personal power. The BILLIONAIRES CLUB BROTHERHOOD OCCULT Brotherhood is the only organization of its kind in the world today, a real secret society for real people, and the only one that delivers unsurpassed results for both self-realization and fulfillment of body, mind, and spirit. The BILLIONAIRES CLUB BROTHERHOOD OCCULT occult was founded in the grand tradition of the great collegiate secret societies like the Brothers in Unity, Skull & Bones and the Mystical Seven, as well as the time-honored fraternities of the Freemasons, Odd Fellows and the knightly brotherhoods. While membership in secret societies like

Skull & Bones is reserved for the elite who have been born into wealth and power, the BILLIONAIRES CLUB BROTHERHOOD OCCULT Brotherhood is for the common man. And unlike groups like the Masons, which have evolved into public charitable institutions or simply social clubs, the objective of the BILLIONAIRES CLUB BROTHERHOOD is to continue the venerable tradition of uniting men together in a private society of mutual aid. The Brotherhood is a legal, non-political, non-religious society whose sole interest is building a united brotherhood of members who help each other. It has nothing to do with fanciful nonsense like the Illuminati. We have no desire to control others but only wish to gain control of our own lives and destiny. MANALINGWe are seeking that special wisdom and knowledge that would set us free from the bondage to dull and dreary everyday life, while strengthening us in body, mind and spirit, and bringing us the material rewards of wealth, love, and success. The BILLIONAIRES CLUB BROTHERHOOD OCCULT Brotherhood is a true brotherhood of secret knowledge and power. I first found out about The BILLIONAIRES CLUB BROTHERHOOD OCCULT Brotherhood in a book called "Telecult Power" back in the late sixties or early seventies. The book reads a little hokey but only because the author is trying to reach a wider and more popular audience. It does, however, contain genuine esoteric knowledge. Even more importantly, some of the information really works. The book tells about a secret organization called The BILLIONAIRES CLUB BROTHERHOOD OCCULT Brotherhood which is supposedly just a circle of friends who can get together to unite their mental powers for success. However, in searching for The BILLIONAIRES CLUB BROTHERHOOD OCCULT Brotherhood, I was able to find references going back at least to the 1800's. It also led me to a secret fraternity known as the Knights of Labor or the BILLIONAIRES CLUB BROTHERHOOD OCCULT. Legend says that a group of men tried to join Skull and Bones at Yale but were rejected because of their humble background. Because they were working men and not of the rich elite. They then decided to form their own group, an inner order or brotherhood of which the Knights of Labor was only the outer organization or recruiting grounds. This research led me to an even more mysterious and secretive group and the genius behind it. It was from the guidance and inspiration of this inner circle that the BILLIONAIRES CLUB BROTHERHOOD OCCULT Brotherhood evolved. It pains me a lot to see most of Nigerian writing on internet 'i want to join BILLIONAIRES CLUB BROTHERHOOD OCCULT occult in Africa' i want to join BILLIONAIRES CLUB BROTHERHOOD OCCULT brotherhood in Nigeria to be rich and famous. first BILLIONAIRES CLUB BROTHERHOOD OCCULT is not an African tradition and don't make people rich, BILLIONAIRES CLUB BROTHERHOOD OCCULT don't need poor people, BILLIONAIRES CLUB BROTHERHOOD OCCULT need those that have already made their money and Illuminati don't have any temple in Nigeria, it is a western tradition and what they need is top politician, top pastors, top musician etc. we Africans know what our people are lacking so we are here to liberate the poor, what we want are the poor people to come to us so that we can make them rich we are not here for the rich but we are here for the poor people. By virtue of it being value, it has acquired the occult ability to add value to itself. It brings forth living offspring, or, at the least, lays golden eggs. The road to freedom lies not through mysteries or occult performances, but through the intelligent use of spiritual forces and laws. In the seventeenth century, the science of medicine had not wholly cut asunder from astrology and necromancy; and the trusting Christian still believed in some occult influences, chiefly planetary, which governed not only his crops but his health and life. After all, film is so porous, and to my mind, so oddly occult, that I think that film itself absorbs odds energies like a living skin is BILLIONAIRES CLUB BROTHERHOOD OCCULT FOR MONEY RITUAL, WEALTH, FORTUNE, RICHES, INFLUENCE, POWER, SUCCESS AND PROTECTION, JOIN THE BILLIONAIRES CLUB BROTHERHOOD OCCULT BROTHERHOOD OCCULT AND SHAKE HANDS WITH THE LORD SHANGHAI We are the first above-ground organization in history openly dedicated to the acceptance of Man's true nature – that of a carnal beast, living in a cosmos which is permeated and motivated by the [b] Dark Force [/b] which we call Satan. Over the course of time, Man has called this Force by many names, and it has been reviled by those whose very nature causes them to be separate from this fountainhead of existence. They live in obsessive envy of we who exist by flowing naturally with the dread Prince of Darkness. It is for this reason that individuals who resonate with Satan have always been an alien elite, often outsiders in cultures whose masses pursue solace in an external deity. We magicians are our own gods, and we are the explorers of the Left-Hand Path. We do not bow down before the myths and fictions of the desiccated spiritual followers of the Right-Hand Path. Today, we continue to uphold our legacy by building on the solid foundation created by The Lord Shanga, and set forth in his writings, recordings, and videos. Since we were the first organization dedicated to him, we have had extensive media coverage and been referred to by several names over the course of over four decades: BILLIONAIRES CLUB BROTHERHOOD OCCULT temple, is the first occult temple in Africa, before occult temple all over Africa today and the world, yet we maintain the simplest and boldest moniker, embodied.
