If it is knowledge that is known, there must be Those who know it; there could be no knowledge without the knowers of it. True occult knowledge can be obtained only by those who follow the path to it. That path was set down by Those Who Know; all who will may and can arrive at that knowledge. This is not a path open only to certain persons; it is open to every living human being, and limited only by the limitations we ourselves place around it through choice or through ignorance.Much is heard in the world today of what passes for "occult knowledge". Much experiment goes on under that name in various directions: we have societies for psychical and psychological research, and there is much talk of psychic and astral "experiences" and "communications" with the dead. All these various methods of research are from below, upwards, and will never find the goal. Scientific methods, psychological methods, the methods of the Spiritualists, alike proceed from particulars to universals. Particulars are infinite, and those who follow that path will inevitably get lost in its infinite ramifications, with no real knowledge gained. The goal is to be found from above, below – from universals to particulars, and not the reverse, for more info contact us at Billonairesbrotherhoodclub@gmail.com or call +2348104462452WE ARE DYING BECAUSE OF OUR BAD LEADER,JOIN THE GREAT (BBC) BILLIONAIRES BROTHERHOOD CLUB TO BE WEALTHY JOIN US WE GUARANTEE YOU SUCCESS,100% WEALTH,POWER,FAME WE ARE HERE FOR THE DESPERATE ONE'S, DON'T MISS THIS OPPORTUNITY IN NIGERIAJOIN US AND MAKE YOUR DREAMS COME TO PASSJOIN THE (BBC) BILLIONAIRES BROTHERHOOD CLUB WITHOUT ANY HUMAN SCARIFIESWE WILL CONNECT YOU TO THE TOP TEN RICHEST MEN IN THE WORLDWE WILL GIVE ALL IT TAKES TO BECOME A MANAFTER YOUR INITIATION THE LORD OF MONEY WILL VISIT YOU(1) YOU MUST BE ABOVE 20 YEARS(2)YOU MUST BE ABLE TO KEEP SECRETE BE WARNFOR MORE INFORMATION: call +2348104462452I understands when we face challenge we expect it solution, but must it be in spiritual means, this is common in Africa why?
