We are a group of strong brothers who came from different walks of life for the purpose of alleviating the sufferings of our people billionaires club brotherhood of riches and fame are most probably the most well known secret society in the world. For years the world economy has functioned on the premise billonairesbrotherhoodclub@gmail.com: To get ahead you have to step on those around you. You are on your own, struggling to keep your head above water. This is what this gross misinformation with which we had been raised has led us to, to misery, uncaring and wanting. Secret Societies protect their members, protect what is dear and precious to them through secrecy, because if the rest find out, these sacred things including the truth will also be destroyed. we are here to protect you if

you so desire! A lot of Nigerians are really backward-minded. The moment they hear billonairesbrotherhoodclub@gmail.com "occult", their minds just go to what they watched on their lame home videos, cheap soft sell religious books and constant brainwashing from their pastors. They are the same people who run to babalawo when church doesn't seem to be "helping" and they will come here pretending to be "holy of holies". Do you know how many occultic orders there are in the Catholic church? A lot of the orders/fraternities/occults you see today have deep foundations in the church and there is no bishop or pope that doesn't belong to at least 3 orders. Someone here used Jay-Z and Beyonce as an example. How lame! Even if they belong to occult, have they affected your life negatively? For your information (if you don't know) everything about your life as you know it today is connected to an order (directly or indirectly). It's all around you e.g the pyramid symbol with the eye of "Ra" on the dollar bill, the eye of "Ra" on CBS, Fox TV, Texaco, LG electronics logo. . .the list is endless. Occult is NOT about the N200,000 budget home videos you watch where they act up dumb scripts of some Joneses who drink blood and make money over night. we are here to lead you if you wish, your destiny is your hands you can take a move now. Life is a game Money is how we keep scores. Money speaks sense in a language all nations understand. If you would know the value of money, go and try to borrow some; for he that goes a borrowing goes a sorrowing. Unfortunately, the Christian Church has prevented much in the way of freedom of the press and free speech, especially for those of the left hand path over the years. our family is a major threat to many who wish to retain control, riches and power as for our family this riches and power is in the hands of the common man/woman. Occult has been deliberately suppressed and followers have been severely persecuted. Some fake religions have been free to promote their own lies and horror stories about occult. For those of you who were raised in Christian homes, or were atheists, this intensity of spirituality may be believing there is no other way to success accept Christianity, but that is a big liar. believe me the great family of great billionaires club brotherhood occult lead to success without human sacrifice. Most right hand path religions are based upon stolen and false practices. As to those Christians who pray and keep praying with no answers, great billionaires club brotherhood occult family get blatant answers and I don't mean twenty years later, but instantly!
